

This week's homework (27.04.20).

Hi 6PN! I hope you enjoyed last week's homework. This week's homework is split into 5 topics. These topics are check in, spellings, reading, maths and topic. Please try your best to get through all of the work, but don't worry if it's too difficult. You should use 6PF and 6LC's homework if this is too easy for you.

Please spend some time exploring the Year 6 website this week. We have added some high school transition materials onto the website which will help you feel confident about going to high school in September. I am still your teacher and I am still here to help you, so please email me if you need anything.

Afternoon activity:

1. Corona Virus has changed all our lives. Life feels very different now than it did 2 months ago, so it's important that we discuss our emotions.
2. On the next page you'll find an emotions board game. Play this game with someone at home and take it in turns to describe a time you have felt that emotion. If you cannot play this game with someone at home you should roll the dice yourself, write the sentences down and read the sentences out to someone at home when they are available.
3. You may want to keep a diary and log how you're feeling before you go to sleep every night. This could help you feel less anxious, worried and scared about Corona Virus.

Well done! You have completed today's homework!

2. Gratitude is an emotion that describes feeling thankful for something. You may be grateful for your family, your favourite meal, your favourite book, your pet or your games console for making you happy during this uncertain time.
3. I'd like you to spend some time reflecting on the things that make you happy – you're going to make your own gratitude jar! The instructions for making this are on the next page.
4. Please email me a picture of your gratitude jar when you're finished as I'd love to see them!

Well done! You have completed today's homework!

Gratitude Jar

Gratitude Jars are a brilliant way of celebrating all the things we have to be thankful for. Celebrations of the wonderful things in our lives can enhance and improve our wellbeing. Use these craft instructions to create your own Gratitude Jar and note down anything you feel grateful for each day, recording each one on a small piece of paper. Drop the piece of paper in the jar and reflect on all the ideas you have collected later on.

You will need:

- glass or plastic jar
- scissors
- paintbrush
- white glue
- Gratitude Jar label
- tissue paper or colourful paper
- paper scraps to record your moments of gratitude

Instructions

1 Cut shapes out of the colourful paper or tissue paper.

4 Add your Gratitude Jar label.

2 Using your paintbrush, put glue on the parts of the jar that you want to decorate.

5 You can paint over the colourful paper with extra glue if you would like to. This will give a nice, shiny effect.

3 Carefully stick the shapes you have cut out on to the jar.

6 Enjoy using your jar. At the end of each day, read the pieces of paper you have added to the jar and reflect on what we have to be grateful for.
